Dear Neil

Thank you so much for your kind donations of £500 in lieu of sending Christmas cards and £266 raised from your swear box. 2014 is proving our busiest year to date and we can't thank you enough for your generous help and support that makes our work possible.

The arrival of the warmer weather has us planning to tidy the gardens and grounds so the children can play outside when they come to Hope House. We have recently been given a lovely roomy shed which, after a facelift and a lick of paint, will be a wonderful Summer House for the children to visit next to our lake for stories and playtimes or just for a quiet moment.

These respite visits that are so cherished by families are only made possible by your financial help, as are our outreach and community nursing services, and professional counselling.

Thank you for helping us to really make a difference to so many lives.

Kindest regards,

Hannah
